PIMA COUNTY
Hand Count / Early Ballot Audit Report

Synopsis:

Pursuant to A.R.S. § 16-602 (B), Pima County conducted the hand count/early ballot audit for the August 26, 2014 Primary Election. Four percent of precincts were counted as required by the Pima County Board of Supervisors, which amounted to ten precincts out of 248 total precincts.

The hand count began on August 27, 2014 when representatives from the Pima County Republican and Democratic Parties met to discuss the number of precincts and early ballot batches to be audited. On August 30, 2014 at 7:30 AM representatives of the Democratic, Republican and Libertarian Parties met to select the races, precincts, and early ballot audit batches to be counted. All ballots were accounted for in the central counting location before the selection process started. The selection order was chosen by lot, and the Democratic Party was chosen to go first.

With the order established, the specific precincts to be counted were selected with the representatives from each party alternating the selection. Once the precincts were chosen, the races to be counted were selected.

Four contested races were chosen as required by law. The following list displays the contested races that were counted:

Statewide Race -	<i>Governor - Republican</i>
Federal Race -	<i>US Representative to Congress - Republican</i>
Legislative Race -	<i>State Representative - Democratic</i>
Statewide Race -	<i>Corporation Commission - Republican</i>

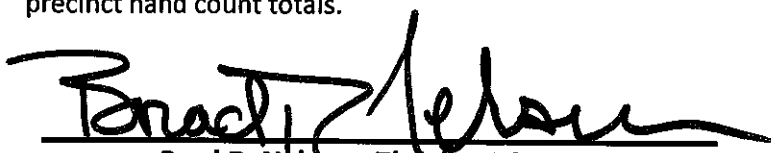

The master precinct and race selection lists are attached for review. The physical hand count started at 9:00 AM on August 30, 2014 and was concluded at 1:00 PM on August 30, 2014. The tabulation method used was the stacking method. The hand count was conducted by 15 boards consisting of 3 members, of which not more than 2 members were from the same political party. This hand count included votes cast on both the optical scan and touch screen devices from the selected precincts.

Early Ballot Audit:

One percent of early ballots were audited as per Arizona State Law. The early ballot audit consisted of 5 batches, each containing 250 early ballots. There were a total of 102,033 early ballots cast in Pima County on Primary Election Day.

Comments:

No discrepancies were found between the early ballot / precinct machine totals and the results of the early ballot / precinct hand count totals.

Brad R. Nelson, Election Director
